Scramble/Best Ball

Scramble format is basically “Best Ball” meaning each person hits from the tee, whoever hits the best shot, everyone else picks up their ball and hits from the best shot. You continue to do that for the whole day so there is only one score. You don’t need to be an expert golfer. There are men’s, women’s, and senior tee’s to hit from. It’s a fun day and no pressure.

Please RSVP to Bob or Frank by September 30th
